Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for Electrical Engineering job. I worked as an intern for a period of 12 Months with Mummy and Sons project and construction and 8 months at Walter Sisulu University under maintenance group. I did single phase and three phase domestic installation, design, construction and commission. Wiring distribution boards. Filling, reporting and recording work on site. Safety related work with our health and safety officer including safe work procedures and the OHS act regulations. Wiring circuits for practical activities. Single phase and three phase motors. I want to grow and gain more knowledge on the company.
