Curriculum Vitae (CV)

What job i'm looking for? My positive points

I 'am looking for Diesel Mechanic job.

I 'am a qualified diesel mechanic with a 2 years experience obtained from 4Arrows company and a couple of month working as artisan at Kolomela Mine. I was responsible for the maintenance of diesel powered engines, upkeep, vehicle inspections, services, engine parts replacement, housekeeping etc.

I am currently working as MineCare Dispatcher from 2021 March until to day at Kolomela Mine. My job description on this post is monitoring mobile equipment health through the system, analyzing, creating notifications on SAP, providing the workshop maintenance team with troubleshooting data, and pointing out the specified failed component to prevent catastrophic failed component.

I belief you should hire me because I have the skills, the qualities and the experience that are a match for diesel mechanic job.
