## What job i'm looking for? My positive points

I am a Hcert Mechatronics graduate in the university of NMU in PE, I am currently furthering my studies doing BengTech Industrial Engineering also at NMU. I chose the babysitter preferred occupation because I looove kids. I loove cuddling babies after I gave them a warm bath, back in high school I had friends who were younger than me,doing thier primary n secondary grades. They always loved being around me, when im sittĩng next to a mother with her baby in a public transport. I don't hesitate but ask to hold the baby or talk gibberish baby language with the baby. I would like to do be a part time baby sitter, since I am still furthering my studies.
