

Reynier Jacobs

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have worked in the auto industry for 3 years where I used to work on the field and the production line where I got promoted to a supervisor of 23 employees to assist and supervise, 2014 I decided to learn a new career where I went to a training centre for my NQF in electrical I started to work for a instrumentation company and after a year I started to work for a System integrator company (Shama Technologies). I am proud of my work and take my work very serious because it resemble you as a person. Always willing to learn new things and work as a team.

My future plans is to learn further and achieve some degrees and my trade test for electrical and Instrumentation

Currently 6 years' experience as a System Integrator

Preferred occupation Instrumentation PLC SCADA
