

Avuya Hloba

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would like to apply for the above mentioned position, I have a Mechatronics Engineering certificate where I majored in Mechatronics project where we were introduced to pneumatics and PLC programming. I also did drawings using CAD and have electronics experience through the project. I am a fast learner and a hard worker who has management experience and time management skills. This helps me complete my given tasks on time and with precision.

Please find attached my CV and supporting documents.
