Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am one person who can work without any supervision , I am a fast learner, at school I used to assist my lecture when she had files of work to do and I took that as an experience because I was doing office work. Even now on my spare time I sometimes go and volunteer at my friends work just to gain experience because scarcity of joy in our country made me realise that I should go marking myself. I am a kind person who likes to work with people, loving,honest and hard work.
