Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a newly qualified Electrician that is willing to improve her skills in the electrical industry.

Throughout my past professional career, I have undertaken various important responsibilities with utmost sincerity. I have conducted electrical related work, new installations and maintenance, use and reading of schematic diagrams, installation of armoured and unarmoured cables, installing conduit, stripping redundant installations and equipment, testing and connection of single phase and three phase motors and many more. I acquired the following skills after completing my studies at Thekwini TVET College and artisan training institute.

With an urge to work both independently and well, in a team; I am positioned to exceed your expectations. I would look forward to get an opportunity to meet with you to discuss my candidacy in more details. Thank you very much for your time and consideration.
