What job i'm looking for? My positive points

I am looking for a job where I can manage a team. I am very experienced when coming to supervise individuals. Might be in the office or outside environment. At the moment I'm working for the department of employment and labour in the Northern Cape Province but I am originally from Pretoria. I am working in an office environment. I'm more passionate with security kind of environment hence I am busy studying for a National diploma in security management with Unisa. I'm left with 6 modules out of the 30. I would like you to consider taking me as I am a well driven female in her late 40's who is willing to proof that this job is not only feed for male. I have a grade A in security and I previously worked as a security officer at the same department that I'm now working as a pension administrator.
