What job i'm looking for? My positive points

I'm a humble open minded young lady. Very good at working with people and excellent at working alone. I love challenges and I love change, I believe in independency more than anything. I believe I am a versatile person because I've acquired quite a few skills in different types of jobs, sales and retail which requires customer service I tick. Cleaning which requires hard work and dedication I also tick. Marshalling which requires being friendly to athletes I also tick. I believe in myself and I know that there's nothing I can not do because I put my mind into everything I do. I believe in change, as stated before I would like to believe that every employer would like change in their company.
