Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a very hard working person. I'm open to all, I'm very enthusiastic. im what you can define as a happy person... I communicate well with people and that makes me easy to work with them. I'm very powerful and I give my best at all time. Besides working with people I can handle things on my own to. Honestly I really need a job Couse I need to support my child . Not that I want you to sympathize with me but things are really though and the pandemic had made it worse for the whole country. So if I get the oppotunity I will give it my best and put all my effort at all time

Thank you
