What job i'm looking for? My positive points

I am currently looking for a code 10 driving job vacancy. I am a safety-conscious, reliable, and trustworthy person who has several years' experience in driving positions. I would describe myself as commercially focused which means I understand, as a driver, that I must carry out my duties competently, deliver on time, follow all applicable rules and procedures, provide great customer service, and be flexible to cover the hours you need me to drive. I am very passionate about driving and it is the only job I want to do. If you hire me as your driver, I plan to stay working here for a long time and I will always carry out my duties safely and the standards you expect of me."
