Curriculum Vitae (CV)

What job i'm looking for? My positive points

A cleaner

I am very hard-working, conscientious, honest and trustworthy and I understand my performance as a cleaner needs to be consistently high in order for your business to succeed. If I fail to carry out my duties correctly, I am very easily replaceable and, therefore, it is important to me to maintain high standards in my work. I am naturally a fast worker and I would also say I am somebody who is a little bit obsessive when it comes to cleanliness. I need very little supervision, I easily get along with everyone in a team and I will never let you down. Again, I understand how important reliability, honesty, and integrity are in the role of a cleaner and I feel confident you will be impressed with my strong work ethics and values if you decide to hire me as your cleaner."
