Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a Driver Job, I'm looking forward to empower myself and empower the Company I'm going to be hired. I'm a hard worker and My Licence is New but I'm good driver cause I've been driving for Years without Licence. But I decided to do my Licence this Year early because I need a Job. My Licence is Code 10. If not Driving Job , General working will be okay cause I've done My Welding and Co2 at School ,6 weeks Practicals but I didn't collect it from School due to Financial... So if I can get for General working it's were by I can do courses inside the Company while working to empower myself
