Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for factory job, as I have an experience in that sector, from general worker to machine operator and I also worked as an assistant in Health and Safety department to get experience. I have SAMTRAC (health and safety officer certificate) from NOSA.

I am a team player and also can work on my own without supervision. Keeping time is also my positive point and a quick learner.
