What job i'm looking for? My positive points

The job that I am looking for is general worker position. As an NQF Office Administration Level4 student I will very much appreciate the general worker's position knowing that I will be gaining more knowledge in every department that I will be placed in , and not only the Office Administration knowledge that I already have. Given the chance to work as a general worker I will dedicate my self in every work given to me, and I will give it my all to keep the company reputation highly respected.
