What job i'm looking for? My positive points

I am a very hard worker who intends to satisfy the customers needs at all times and I intend to bring the positive energy and service. My weakness is seriously really don't know when to stop, I give all my attention to the task given to me until I achieve and complete this job.

I need this job because I need to be independent and support my family in all ways that I can and take them away from the struggle. I promise to always be obedient and work hard, also have a good relation with my team and give value to your company always. Thank you
