Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I'm looking for a job of which it does not need high qualifications because I only have matric certificate. I know my qualification might not be enough but my general skills might be very helpful. What you won't have to worry about is me being slow because generally I'm a fast learner.

|                         |                               |
