Curriculum Vitae (CV)

What job i'm looking for? My positive points

I've had my license for 5 years and I just recently got my Front-end Loader certification, so I'm definitely serious about getting a job in driving. I'm driven individual, dedicated and a quick learner. I've always made it of great importance that I find passion in everything I do so that I know to expect the best possible outcome from my efforts, I believe that alone breeds growth in an individual
