Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job that will help me grow as an individual and learn some new skills. I have worked as a filing Clerk for a year and half at the clinic and I have learn few skills if not more. The information contained in medical records is highly sensitive and a small mistake can directly affect a patients care. Therefore, I had to be extremely detail oriented and knowledgeable about the particular practices in the office.
