

Kwanele Ndlela

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Sasol Energy has an opening for a new Coal Miner. For several years I have focused my career path and academic pursuits on Geology (Hons) and completion of Bachelor of Science program with University of Fort Hare. My personal philosophy is rooted in empowering others and creating a positive perspective of life circumstances.

With a genuine and nurturing nature, combined with a professional and ambitious approach, I possess the primary skills needed in my field, including mining, surface mining and order following. Additionally, collaboration and problem-solving are part of my skill set, with proficiency in organization. Experience in interacting with diverse populations has given me in-depth understanding and awareness of differences in both individuals and organizations. These qualities will contribute to Sasol Energy's mission while positively highlighting the professionalism and competencies in its employees.

For further details of my qualifications, background, and academic history, please find my resume attached. I am confident that I can contribute positively to the Coal Miner role and I welcome the opportunity to speak with you at your earliest convenience.

I am available for day or night shifts, depending on your specific needs. In either case, I am sure that my experience and skills will be a useful resource for your company.
