Curriculum Vitae (CV)

What job i'm looking for? My positive points

First of all I'm passionate about completing any task I started it doesn't matter how hard it is, I have a very good memory and very punctual as far as submitting assignments at a given deadline. I'm computer literate, good at customer service and very resourceful when it comes to problem solving.

A team player but I can't still work unsupervised which I believe gets the work complete quicker and I hope my potential boss would be looking for a data capturer who can a good fit to their company.
