

Jacobeth Rahlogo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Jacobeth Rahlogo currently residing at Mpumalanga in Standerton.

I am doing my grade 12 this year and I am looking for a job just to enhance myself with certain skills and knowledge.

I am a very humble and respectful person, able to work with other people and knows how to contain myself around situations of interpersonal conflicts around other people.

In terms of one asking why I'm not embarking on my higher education path, my answer would be it's not all of us who instantly want to get to higher institutions but on the days that we live in experience is what talks and opens many doors than having the most high qualification without any stable foundation built for it.

Should it happens that I get elected for the advertised positions, I would commit myself into the job, bring out the best work ethics and mostly respect my work and my superiors
