Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a 21 year old girl who is willing to work in any organisation which will help me gain more skills and experience.

I am writing this to apply for the position that has been listed in your company. I am actively looking for employment at a company that will help me gain practical experience, knowledge and skills to advance my career so to be the person I see myself as in the next coming years, I am also willing to give the knowledge and skills I have to the company. With my skills and knowledge, I do meet the requirements of the advertised vacant post. I am a hard worker; I can handle working under pressure with my friendly attitude, And I can work both in teams and individually.

If you consider me as one of your employees, I promise to do my best and I will make sure you don't regret your decision as I am going to be nothing but an asset to the company.
