

Ivoniah Ngwenya

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a female mining engineering graduate with good communication skills, leadership and technical skills. I have in depth knowledge of mine planning, mine ventilation, mining methods, explosives, rock engineering and engineering survey. I am a self-directed individual who can push boundaries to achieve great outcome in a rapidly changing environment. Seeking a position as a mining engineering graduate with a company offering advancement and extensive training options to an ambitious, creative, high performing and data driven individual with a mindset to look for innovative solutions beyond what is possible. I am excellent at working with others to achieve a certain objective on time and with excellence. I have the desire to learn and grow both personally and professionally in the mining industry.

The opportunity to work in the mining industry greatly interests me because I believe that the mining industry can help me to learn both personally and professionally in the mining industry which will provide me with extensive training options to an ambitious.
