Curriculum Vitae (CV)

What job i'm looking for? My positive points

wrote:

Dear Hiring Manager

I would like to express my interest about your above advertised job opportunity for electrical engineering, when reviewing the job description, I was excited to send my application. My passion, skills and educational knowledge match with your position. I believe in myself that I am the right candidate who's always ready to face up new challenging opportunities.

I am seeking for permanent employment that is challenging, so I can continue to showcase acquired skills and academic knowledge, and develop my abilities as well as to add value to the organization with individual experience. I can be a reliable employee with interpersonal communication, decision making, problem solving and I believe I can contribute to the achievement of your goals, objectives and consideration of your time. I look forward to the opportunity to learn more concerning this position and demonstrating how I can help the company attain goals. You can reach me on the contact details provided on the resume and I am available immediately.

Kind regards

Xulu Nompumelelo Miranda
