Curriculum Vitae (CV)

What job i'm looking for? My positive points

Stock controller or stock managing. I Ladi phofele worked for distell as stock controller from the year 2009 until 2022. I do like this job as my experience counts. Working together with colleagues to meet customers needs is one of the best goals I am after. Daily stock check and rotational to reduce expired stock and minimise breakages. Honestly speaking hiring me to be part of the company will be a bonus.
