What job i'm looking for? My positive points

There is no particular job I'm looking for at the moment I'm just hoping to get some type of job I haven't worked before but I'm hoping to get work experience , I'm currently doing grade 12 but it's done online so it wouldn't interfere with me having a job.

My positive points would be I'm willing to work and learn and I strive towards finishing what I need to do.
