Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a dedicated and a hardworking working Operations management final year student, looking for a spot that would help me mold my skills for the future. I am willing to work under duress and develop new abilities, and I am willing to learn new things. When given a task I put my mind into it and make sure, I finish within the given time. I work well by myself, but I know how to work in a team. I am convinced that the knowledge I received as an operations management student would enable me to contribute significantly to your organization.
