What job i'm looking for? My positive points

I have a psira certificate and also have a c1+pdp driver's license so I think that mine patrol and boilermaker will definitely be what I want to do, but if only I could get an opportunity to work in a mine I will definitely be grateful for any opportunity because I believe that beggars can't be choosers. I'm very hard working and strong willed person. I take my work seriously and can adapt well to changes. I'm self motivated and respectful
