What job i'm looking for? My positive points

DEAR:SIR/MADAM

I hope this email finds you well.

I was keenly interested in reading the job posting for the security post. I believe my experience is a strong match for the responsibilities pertaining to this role, and I'm pleased to submit my application for the position.

My most recent position was at Phiri Phiri Security Services whereby I've worked as a firearm guard, patrolling and access control are part of what I did on site.

I have attached my resume in this letter.

Through It, I hope you will learn more about my background, education, and achievements.

If I can provide you with any further information, please let me know. I look forward to hearing from you about this opportunity.

Thank you for your consideration.

Regards.
