## What job i'm looking for? My positive points

Any job that I'm at partially will be of tremendous benefit. Not to say I'm not passionate in what I do but something I can do for part time basis. I'm a hardworking and dedicated to what I do. Most importantly I do everything thoroughly so, with that being said I'm a reliable person and I'll speak my piece without holding back. I'm a positive individual and I also encourage the ones around me to become great and not good at what they do.
