Minining job because I like everything about mining because I wanna see myself owning mine or be a shareholder so if I get opportunity to work at the mine I will get an opportunity to learn more about mining so it's my dream to work there.I believe that one day I'll own or be a shareholder.If I get this opportunity I'll be blessed.I know I may not have experience about mining but I believe in learning because we learn every day.So I prefer mining than other jobs.I am always energetic and eager to learn new skills.
