Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a Biomedical Laboratory student at Mangosuthu University of Technology, at level 1. I am passionate about my career because I understand how much help and change, I could bring to the industry. getting a job that lies within my career will improve my Laboratory working techniques and I will gain new knowledge that might help me on my level2 and another following level until I obtain my degree. I am aware that the Healthcare/ or medical industry requires experience, and I would not mind to least be a receptionist or a cleaner. I just want to be at the Laboratory or at the Healthcare premises.
