Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Olwethu Msileni, I'm doing my second year in Rosebank College. I'm a very harding working person, who can manage their time properly, I know my way around technology (laptops or computers), I'm a very free spirited person, that is also creative and we all know creativity is needed in this time and day to attract what needs to be attracted, I have learnt to work under pressure and working with other people. I feel like I have learnt enough about PR and that could be a good thing for your company having a fresh mind and fresh ideas. Being employed would mean a lot for me because that means I would be getting more experience in a working environment and while learning I'll be doing and helping good at your company.
