What job i'm looking for? My positive points

Good day sir/mam.

I trust all is well. I am a student looking for a job as a cashier at your store. I believe I'm suitable for this job because I give excellent customer service, I can learn things quickly, I'm good at listening and taking orders. I put in dedication in everything I do and know how to tackle problems when faced.

I hope you'll find my skills useful and will give me a chance to dicuss further in a personal interview.

Thank you very much for your consideration.
