

# Siphiwe Lucky Malaza

Curriculum Vitae (CV)

## What job i'm looking for? My positive points

The job that I'm looking for is a job that I will gain more experience to it and have knowledge about it, but specifically is General work because I'm a hard working person, who always look up to work optimism.

My positive points is that I know I will get a job of my favourite one day and what I learned in life is "Nothing comes Easy", and to never give up on chasing a dream.

Preferred occupation                      Generals  
General jobs

## Contacts and general information about me

## Education

Educational period                                      **nuo 2015.01 iki 2022.11**  
Degree    Grade 12 / Matric  
Educational institution                                      Tlhatlogang Secondary School  
Educational qualification                                      Matric certificate  
I could work    Yes definitely I could work

## Languages

Language	Speaking level	Understanding level	Writing level
isiZulu	good	good	good
English	good	good	good

## Computer knowledge

Yes but a little knowledge because I understand some of the system of how it operates.

### Conferences, seminars

Conference are important to us all as humans. I'm saying this because it is important to values some people's views, working in groups and build a company to process.
