What job i'm looking for? My positive points

The job that I'm looking for is a job that I will gain more experience to it and have knowledge about it, but specifically is General work because I'm a hard working person, who always look up to work optimism.

My positive points is that I know I will get a job of my favourite one day and what I learned in life is "Nothing comes Easy", and to never give up on chasing a dream.
