Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a former Radio and TV personality from SABC as well as former head of Communications from Ratlou Local Municipality. I hope that my experience from both Radio and TV as well as Local Government would serve in good stead for your company. I promise to bring change and add value to the team and the company should I be given a chance. Lastly I promise to be self-reliant and going extra mile at all times. And besides the position I have chosen I am also willing to learn or be hired to different job positions in other units should management deem it fit to do that for me based on my experience and qualifications.
