

Jaco Pretorius

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My strong point is welding with accuracy and neatness. I very much enjoy welding stainless steel sanitary welding aluminium fabrication and all round fabrication on all steels. I do also enjoy machining even though I am not a qualified machinist I can do general machining on manual lathes and milling machines. I also have some robotic programming and operating skills. With that said I am always eager to learn new methods and processes with which I can improve my skills and abilities. I am a sober man that enjoys going to church and just want to provide for my family in the best possible manner.
