## What job i'm looking for? My positive points

I have a Grade C certificate and a four years experience working as a Security. I want to relocate to Port Elizabeth where I could start a new life and I'm willing to work overtimes. I'm a non drinker and also want to go back to school and finish my studies. I haven't yet intended to have kids because I feel like I still have a lot that I need to sort out in my life. I'm a fast learner and I'm always willing to work thats the reason the company i work for still kept me this long. Before this I was working as a Nursery assistant at Garden Route Botanical Garden (044 8741558) at 2013 to 2014. Thats a 1 year experience I quited because I wanted to go to school since I have planned to take a gap year after matric. Unfortunately did not afford to pay for my studies I was doing a hospitality managent at IQ option it was distance study. Then I worked as a box maker at nutri tech (074 376 3510 - Tiaan) at 2017 thats where I invested money to make a Security course.
