Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have currently ended my grade 11 phase and I'm about to do my matric year but since the holidays have approached I thought applying for a holiday job because I'm not used to not being busy. I am a very vibrant person, easy on the eye and a hard worker. I view myself as a cooperative individual as I am a people's person and I am used to working with many. My strongest fit is that I am confident and I am willing to occupy any vacant job and I am available for a vacancy from today to the end of December.
