

Thobile Biyela

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Thobile Biyela from Durban eMlazi ... I'm looking for a job as a general worker. Although I have necessary experience from different departments. I graduated in May 2020 with a diploma in communication in marketing. An alumni forwarded me a job posting about marketer, engineering positions. I'm highly interested in these opportunities because I'd make a great fit for your agency.

I realize you're looking for a candidate with strong written and oral communication skills as well as experience. As an office assistant I was responsible for planning and promoting. During my final year at college I led a group of students to create a marketing campaign. I was responsible for leading brainstorming sessions, communicating with our client and editing the final version of the campaign. Through this project I learned how to collaborate with others and work effectively in a team in order to accomplish a common goal.

With the combination of my marketing experience and leadership skills I'm confident I'd make a great fit for this position... thanks for taking time to review my application and consider me as a candidate.. I always look forward to hearing from you soon
