Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for clerk position because I don't have other qualifications that can take me to management positions, I have grade 12 and national diploma in crop production NQL5.

With clerk or ticket seller I know that my grade 12 certificate is enough. I'm a hard worker with 2 years experience in crop production but it has not been easy for me to find a job. I graduated few months ago and I'm looking for a job so I can raise money to start an agricultural business and I believe that buscor team would benefit from me since I'm a hard worker who is willing to go even extra mile and I will also benefit from buscor as I will be gaining experience and boosting my CV.
