Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would characterize myself as a dreamer. It may sound silly considering what we are witnessing right now in the world, but I still dream of having an impact, changing something to the better in the world, and leaving my mark. If not in the history of the world, then at least in the personal history of every patient I treat as a nurse. Before any of it can happen, however, I have to earn my nursing higher certificate. When it comes to free time, I just enjoy spending quality time with my family. If I make up my mind about reaching a goal, I won't give up...
