Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I have retail experience as a Cashier at Dis-Chem Pharmacies, which has broadened my knowledge of customer services, sales, communication, security of assets and teamwork. My desired exposure to work is not limited to my previous experience, but rather open to more challenges and experiences which will in turn make me an asset in your organisation. I am proficient in Computer Literacy, specifically Microsoft Office Suite 2013, 2016 and the Dis-Chem's specialized software to operate the Cash Registers. Understanding that in organisations, depending on the role, certain specialised software applications are used, with my exposure to computers, I regard myself as a fast learner.
