What job i'm looking for? My positive points

I am looking for general or cleaning jobs, I am a people's type of person who can adapt easily everywhere, I am a go getter and like asking questions because it is my way of wanting to know new things since I always do anything with my whole heart and am also very positive towards life. My previous work where I worked I did not leave at any with bad feelings between us because I always make room for mistakes and likes to be shown where I have mistaken so that I know when I overstep boundaries.
