What job i'm looking for? My positive points

I'm looking for a job in Pretoria because I just got engaged, and at this moment I'm working far from my fiancée. I'm in the Free State working as construction administration. I have a certificate of security and I'm a qualified security officer who worked for a few security companies in Midrand, Gauteng, at Vodaworld for 4 years. It will be my greatest pleasure to work with your company. I am very dedicated to my job. I worked hard too. I'm also good at working with the team. I am a friendly, nice person.
