Curriculum Vitae (CV)

What job i'm looking for? My positive points

Firstly i want to say thank you for taking the time to read my cover letter and find attached my cv. I am humble to say thank you for considering my application. I am grateful that i could apply for this position. I am a motivated self starter never late for work. Always willing to walk the extra mile and make sure my work performance are satisfying even if i have to work overtime. I work well in a team or individually as the task requires.

I work very well under pressure and see any task as a challenge. I have a broad knowledge of steel and construction environment where i have worked both sectors. I am very disciplined person loyal and do what are expected of me.

My work are based on performance and hard work. A deadline of jobs that needs to be done i always reach my goals efficiently. I will definitely be an asset to your company due to my experience and have a great desire to enhance my skills and are very keen helping my fellow workers.

I am honest and true to myself. I have no problem relocating at all.

I have my own transport and my own tools aswell if that are a requirement for the vacancy.

I would really appreciate and love it if you could consider my application to the fullest expectations. I will wait positively for your response.

I thank you
