Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking at any kind of job ,be it a cleaner or tea girl or any office work, waitressing.

I am available for anything.

I am a qualified hairstylist for 29 years ,but it does not excite me anymore .My passion for hair has gone and I am excited to do anything else.

I have worked in the restaurant trade while I was studying.

I have done office cleaning ,reception work through out the years as well.

Being front house receptionist at various institutions, was very exciting, because I have an extremely friendly face,voice and the best smile on the market. Clients would always say with me being in front makes them feel at home and welcome as I have a warm heart and I have all the empathy in the world.

I have a warm personality,I tend to be easy to talk to, I am helpful by nature. I am a very strong individual who works well in a group and works extremely well on my own.

My strong points can also be my weak points, as people think they can walk all over me because I come across as a softie, yet I have a very strong no is no and yes is yes policy.

My advice is always free and I am willing to help where-ever possible.

I am a leader where I need to be and I am a follower where need be.

I am a great asset to any establishment because I always have the company's best interest at heart.
