Curriculum Vitae (CV)

What job i'm looking for? My positive points

I was raised by a single father who also managed to play the mother's role. He taught me all the hard work under the means of cooking me to be an independent person one day. At first it felt like an abuse but at a later stage after finding myself being able to drive, cook and to be a mechanic, just to name the few, that where I realised how powerful he turned me to be. I am able to work any labour jobs from cleaning to fixing cars all thanks to his hardship he raised me with. Today I am proud to say there is no jobs that I cannot do with my hands.
